To the Honourable the Legislative Assembly of the Province of British Columbia, in Legislature Assembled:

The petition of the undersigned, KamloopsA4C, of the city of Kamloops, BC, states that:

Canadians are concerned by the **Minister of Advanced Education and Skills Training, Honorable Anne Kang - Curriculum in British Columbia schools.**

- By legal definition, a religious belief is any held belief for, against, or in conjunction with, any theistic, agnostic, or atheistic assumption, presumption or position regardless of whether or not the belief is endorsed by any other person or public or private entity.
- LGBTQ and Transhumanism is a religious belief system and has no place to be taught in BC schools.
- Critical Race Theory is a political attack against white persons and causes harm to white people.
- The foreign private corporate Carnagie / UNESCO / Agenda 2030 of the WEF (World Economic Forum) is against the Canadian Bill of Rights.
- Teaching masturbation, sexualizing and telling kids that they can be either gender in school is inappropriate, confusing and damaging to a child's psychological health causing gender dysphoria.
- The School Act requires a non-sectarian approach to the conduct of education in BC schools. Therefore, the Board is to refrain from allowing any activities or distribution of materials in schools that are political or religious in nature and which proselytize.
- Political or religious issues under study must be in accordance with the British Columbia Teachers Association's Code of Ethics and the Board's Policy 210 - Controversial Issues in Schools.
- It is unacceptable that Mothers Day and Fathers Day is being removed, but Gay Pride Day is promoted in schools normalizing exposure of children to adult nudity, sexually explicit behaviour, deviancy, lewdness and pedophiles.
- The United Nations agenda to use children as "agents of change" to support their foreign corporate Communist / Marxist Agenda 2030 of Transhumanism is unacceptable in BC schools.
- Children in Canada being exposed to this vile UN backed agenda intended to sexualize minors by placing cartoon porn in libraries is unacceptable.
- Normalizing sexual deviancy using the transgender movement to confuse children using: School Unions, Education Systems, 100 genders theory, library drag for kids, School Board – Trans washrooms and such is unacceptable.
- **Canadian Education Ministers, School Board Trustees, Superintendents and teachers** who are promoting the UN's Comprehensive Sexuality Education Program or the political views of the United Nations should be respectfully terminated.

Your petitioners respectfully request that the Honourable House to exhibit decorum and cease and desist including the LGBTQ Transhumanism religious belief system and the promotion of the WEF foreign corporate Communist/Marxist political views of Carnagie / UNESCO / Agenda 2030 in school curriculums and respectfully terminate those who promote this in BC schools.
